ASSOCIATES, INC.

MANAGING THE VISION® | ENVIRONMENTAL | FACILITIES | LOGISTICS

2009 United States Air Force Design Merit Award Recipient

MASTER PLANNING SERVICES

J. M. Waller Associates, Inc. (JMWA®) is a Service Disabled Veteran Owned Business (SDVOB) bringing global experience and world-class management practices to solve client environmental, facilities, and logistics challenges. JMWA offers cost-effective and responsive technical and management expertise in master planning services to a wide range of industry, municipal, state, and federal government clients.

JMWA won the 2009 Air Force Merit Award for Planning Studies and Design Guides for the Air Force Basic Military Training Campus Replacement Plan project at Lackland Air Force Base (AFB), TX. We have provided comprehensive master planning services to numerous DoD installations and agencies.
